

REMARKS

Claims 1-11 are pending in this application. Claims 12-31 have been cancelled without prejudice, and without disclaimer of subject matter.

The Examiner issued an Office Action dated November 25, 2005 indicating Claims 1-31 were subject to an restriction/election requirement under 35 U.S.C. 121. Accordingly, Applicants elect Invention No. I directed towards Claims 1-11. Although it is believed improper to require an election of species based on a method claim, if such is required, Applicants elect species No. I, FIG. 1A for prosecution. Applicants reserve the right to file divisional applications directed toward non-elected inventions.

The Examiner is encouraged to telephone the undersigned to discuss any matter that would expedite allowance of the present application.

Respectfully submitted,

Date: December 06, 2005
